# PARENT ' S CODE OF ETHICS

I hereby pledge to provide positive support, care and encouragement for all children participating in youth sports by following this code of ethics.

I will encourage good sportsmanship by demonstrating positive support for all players, coaches, and officials at every game, practice, or other youth sports event.

I will place the emotional and physical well being of my child ahead of any personal desire to win.

I will insist that my child play in a safe and healthy environment.

I will provide support for coaches and officials working with my child to provide a positive, enjoyable experience for all.

I will expect a drug, alcohol, and tobacco-free sports environment for my child and agree to assist by refraining from their use at all youth sports events.

I will remember that the game is for children and not for adults.

I will do my very best to make youth sports fun for all the children.

I will ask my child to treat other players, coaches, fans, and officials with respect, regardless of race, sex, creed, or ability.

I will promise to help my child enjoy the youth sports experience within my personal constraints by being a respectful fan, and to serve in whatever capacity I can.

I will remember that I represent my family, the players, the team, the league, my community, and myself and will do my very best to typify behavior which reflects positively on everyone. Adverse behavior will not be tolerated and will be enforced.

I will remember and are expected to keep our home field and visiting fields clean from all garbage of the event when the event is complete.
